👤 PROFILE

Passionate about designing and developing seamless web applications that enhance user experience and engagement. Committed to continuous learning and staying updated with the latest tech trends to deliver impactful solutions.

🎓 EDUCATION

Global Institute of Technology, Jaipur B.Tech Computer Science & Engineering	2022 – 2026
Jamia Polytechnic, Akkalkuwa Diploma Computer Science & Engineering	2019 – 2022

📁 PROJECTS

Portfolio 🔗

My personal portfolio **showcases my skills, projects, and experiences in web development**. Built with React, Vite, and Tailwind CSS, it features a clean, user-friendly design that adapts to all devices, providing a smooth and interactive browsing experience.

SmartCall 🔗

SmartCall is a **real-time video conferencing platform** that allows users to create and join calls instantly. Built with React, Node.js, and WebRTC, it offers seamless video and audio communication, screen sharing, and scheduling features, making it perfect for both professional and casual use.

AI-Dashboard 🔗

AI-Dashboard is a **fast, responsive dashboard** built with **React, Vite, and Tailwind CSS**. It's designed to manage data-driven applications with an intuitive and minimal interface, and is ready to be integrated with AI functionalities for future enhancements.

🛠 SKILLS
